**HEAT
MERCHANTS**

Welcome

Dear Customer

Welcome to the first edition of the Heat Merchants Domestic Spare Parts Catalogue. Heat Merchants has been at the forefront of domestic spares parts supplies since the early 90's. Our knowledge and experience throughout the years has lead to our stock profile of spare parts being built around your needs. You can have peace of mind that all our spare parts are genuine products direct from the boiler Manufacturerurers. With an excellent track record of protecting the trade you will find that our product range, price and customer service has been rivaled but never beaten. Just take a look at some of the reasons why Heat Merchants have been so successful throughout the years:

- Branches nationwide
- All branches hold the top selling spare parts for today's market.
- Each branch can change their spare parts stock profile to suit your needs.
- Daily delivery to all branches.
- Access to over 60,000 parts between our Irish and UK distribution networks

- Direct access to all major parts suppliers across Ireland, UK & Europe.
- In-branch experts trained and certified on gas spares.
- Our online and in branch parts identification system (Parts Arena) available for all customers. Every boiler type and model listed wit exploded diagrams for easy look-ups.
- On-line access for all account holders to Parts Arena.
- New commercial boiler range also available from 40kw to 200kw.

We hope you find our new Domestic Spare Parts Catalogue beneficial, if you have any questions please don't hesitate to contact us, our details are on the back of this brochure, or just pop in to see us. We look forward to seeing you soon.

Kind regards,

Your Heat Merchants Team
