Heat Merchants is an Irish owned company with 32 branches nationwide supported by a technical design and estimation team. The plumbing product portfolio includes an extensive selection of domestic and commercial sanitary ware, baths, showers, shower enclosures, bathroom furniture, brassware and accessories plus an extended range tailored for specialised industry sectors.

Our team in the branches and the commercial specialists are on hand to provide expert advice and guidance supported by a dedicated specification and estimation service for multi-residential and commercial projects.

- Dedicated commercial sales team with experience in devising comprehensive plumbing specifications and pricing for any commercial plumbing project
- On-site consultations with commercial team anywhere in the country
- Quotes tailored to customer budgets and specifications
- Expert advice and technical information to assist in the tendering process
- Experienced in technical compliance in commercial projects across hospitality, retail, healthcare, leisure, industrial and education sectors
- Designer plumbing range can be specified on request for projects where design is paramount.
- Large range of plumbing stock held in branches or in our central warehouse, for immediate delivery or we can place special orders for non stock items and commercial projects
- Stock can be held in branches for convenient draw down without having to leave valuable stock on-site until it is needed
- A complete solution for all your plumbing and heating requirements with 32 branches nationwide
The Sakkara suite offers an affordable clean contemporary style which will complement any bathroom design.

The convenient toilet or basin packs are supplied in one box and are ready to take away.

Atlas Geo by Lecico is an extensive range with a selection of clean line basins and toilets which are the perfect combination of style and functionality.
The Senner Suite includes a clean line ‘soft square’ basin accompanied by a modern square toilet.
The Roxton Suite showcases beautiful traditional Victorian styling, including a feature upstand on the washbasin which makes it ideal for use with or without a tiled wall.

The Roxton is perfect for period or traditionally styled modern homes.

MADISON PEDESTAL
U43170 Full Pedestal
U61115 Semi Pedestal
U61077 Cloakroom Semi Pedestal

The Madison range features two basin styles, round and square, both bringing enduring elegance to any bathroom.

The clean, contemporary design is infused with a hint of classic art deco in the square style while the round version showcases soft curves that lend a classic look to any bathroom.
Solid yet minimalist, Steps is a versatile bathroom suite that uses bold angular shapes to achieve the ultimate fusion of classic and contemporary.

The range includes a square basin with full or semi pedestal options.
The Anna Comfort Height collection’s design is modern and contemporary with a round or square option. The elegant Anna basin is thin lipped and minimalist.

The raised height toilet pan is ideal for more comfortable use which will benefit users with reduced mobility. The pan has new easy lift-off soft close seat.

ANNA COMFORT HEIGHT

ANNA COMFORT HEIGHT CLOSE COUPLED WC PACKS
- U10029 Round WC Packs with Soft Close Seat
- U10030 Square WC Packs with Soft Close Seat

ANNA BASINS
- U81712 Round 55cm 1 Tap Hole Thin Lipped Ceramic
- U81710 Square 55cm 1 Tap Hole Thin Lipped Ceramic

ANNA PEDESTAL
- U81711 Full Pedestal
The clean lines and soft square shape of the Space Saver short projection toilet is a perfect contemporary choice for small spaces.

The compact basins minimise space required and are particularly suitable when paired with a semi pedestal. The Senner has a soft rectangle shape while the Madison basin has a distinct curve.
Sanringham 21 is the total package, with a compelling heritage and timeless style that adapts to almost any bathroom décor, traditional or modern. The 70 item range, offers a comprehensive solution, ideal for residential and commercial bathrooms.

Tempo is a distinctly minimal and versatile collection that offer effective and beautiful solutions for the smallest bathrooms and en-suites.

Beautifully, compact, Tempo’s thoughtfully conceived, WC options save space, conceal plumbing and are super-easy to clean.

Tempo’s streamlined shapes help enhance the feeling of space with a slender, tapering pedestal and a basin bowl with softer edges that are free of sharp corners making it a safer basin option for all the family.

*Tesi is slender and elegant, with a simple flowing design that is supremely functional.

Tesi toilets are built to perform with the innovative AquaBlade® flushing technology which ensures that 100% of the surface area is rinsed clean every time. The slim push bottom release seats look great and are practical making cleaning so much easier.

Basins carry the gently curves of the collection with size options to suit every bathroom.
Waverley recreates traditional elegance with authentic period style and the quality and reliability of modern manufacturing.

Waverley brings a classic elegance to both bathroom and cloakroom. The extensive range includes the distinctive, period-defining high-level cistern model.

Jackoboard construction boards are waterproof, lightweight, and easy to cut and trim to provide unlimited design flexibility in your bathroom. There are a range of board types suitable for constructing walls, floors, curves, shapes, shower bases, bathtub panels, and more.

The shower boards are used to design floor level showers with barrier-free access which is practical and looks great. The boards have an incorporated fall with sealed drain flange which can be tiled immediately.
