10th February 2023

Dear Customer,

As a result of supplier price increases, it is regrettable that we will need to introduce some price increases effective from 1st March 2023. The exact price increase on specific products within the ranges supplied will vary and some exceptions will apply.

Please note price change notifications are posted on our website
www.heatmerchants.ie

If you have any queries please contact your local branch manager or sales representative.

Best Regards
Heat Merchants Customer Support
