

Sanbra Fyffe Product Specification

Products produced from brass are not suitable for use underground

Product Name:	Stop Cock
Product Type:	C x C
Product Code:	332001/2/3/4/5/6
Size or Range of sizes:	½", ¾", 1", 1 ¼", 1 ½", 2"
Max operating pressure:	30° at 16 bar 109° at 6 bar
Min operating pressure:	0 bar
Max operating temperature:	109° C
Min operating temperature:	-20° C (flowing water)
Material Specification:	Body: LG2 Gunmetal to BS 1400 Head: CW617N Gland Nut: CW617N Crutch: CW617N Compression Nut: CW617N
Conforms to Standard:	IS EN 1254-2

PLUMBING FITTINGS
I.S. EN 1254-2:1998
NSAI Certified

“Quality Without Compromise”
