EASY FIT RANGE

FEATURED HIGHLIGHTS

- **Easy fit design** for horizontal and vertical applications
- **Removeable pump system** for 'Easy installation and servicing'
- Hassle free **"Plug n' Play"** installation.
- Fits perfectly through ceiling "man-Holes"
- Constant **pressure** and **flow**
- **WrAS approved Tank**, that is non-corrosive, robust, and designed with built-in strengthening ribs.
- **Dry run protection** Controller with pressure gauge.
- **Back-up diaphragm** to compensate for small leaks or drips in the hydraulic system.
- **Shut-off valve** as standard.
- Made with Eco-friendly materials and products.
- Aquabox Systems **2 Year limited warranty**.

The All NEW **Aquabox Systems - Versatile Series** for all your Domestic and Commercial clean water applications.

It's sleek compact system designed for storing clean and portable water with reliable constant pressure.

The Aquabox Systems - Versatile Series makes plumbing easy, hassle free, creating more space and less noise for greater comfort.

Lowara Scuba Series

The Lowara SC205 Scuba, is a 5" Close Coupled Multistage submersible pump (0.55kw) with Electrical motor cooled by pumped liquid which is WRAS compliant.

The Lowara Scuba can be installed in vertical and horizontal positions. The pumps low noise tolerance, stainless steel structure, "Double Mechanical Seals" system and engineered motor is designed for constant use.

Lowara Genyo Series

The Lowara Genyo electronic control and protection system designed with pressure sensors, delivers constant water pressure on demand. The Genyo enables automatic control of pump start up and shut down based on actual water demand, preventing any pressure fluctuations. The 8 amp Genyo controller has built in dry run protection to safe guard your pump. Genyo integrates multiple system controls into a single device.

Additional Accessories

Tank drip trays Tank insulation jackets Tank acoustic mats 8lt In/Out pressure tanks

ORDERING INFORMATION

Model	Capacity Ltr	m³/h (min)	m³/h (max)	Head (Qmin)	Head (Qmax)	Bar	kW	HP	Volt	Phase
